RESPONSE AND AMENDMENT

Sir:

Applicants respectfully request that the above-identified application be amended as follows:

IN THE CLAIMS:

Following is a set of pending claims submitted in consideration for allowance:

1. A method for decoding compressed video comprising:

reading a stream of compressed video into a memory, said video having multiple pictures, each picture having one or more independent slices;

assigning, via a first processor of a group of processors sharing said memory, at least one independent slice per processor to be decoded by the processors in parallel; and
